### Twilight Remote Learning Schedule

- Each attendance area will provide an alternative time for remote learning for students who are unable to participate in the daily remote learning Live schedule.
  - **Available September 8, 2020**
  - K-5 students will attend a grade-specific classroom during the late afternoon in their home school district
  - **Daily Monday-Thursday Hours: 6:00 pm - 7:00 pm**
  - Students will receive live grade-level direct instruction from a CCS instructor:
    - Grades K-2: ELA and Math (*30 Minutes ELA and 30 Minutes Math nightly*)
    - Grades 3-5: ELA, Math, and Science (*20 Minutes ELA, 20 Minutes Math, and 20 Minutes Science nightly*)
  - A student is considered present for daily attendance through the Twilight Remote Learning Schedule:
    - If a student completes their daily assignments, either online or offline through Canvas with their assigned homeroom teacher.
  - If a student needs support with an assignment during the day when the Twilight teacher is not available, they can access the live tutors available 24-7. Twilight teachers will not be assigning additional assignments, nor assigning grades for these students. Students will continue to complete assignments through their assigned classroom teacher(s) through their Canvas courses.

### District Actions

- The district will hire teachers for each attendance area to provide instruction for the Twilight Academy, based on Attendance Area principals' recommendations. Teachers will be compensated for this extra time.
- The number of teachers for each grade level per attendance area will be determined based on the results of the parent survey sent out on August 27, 2020.

### School Actions

- Each attendance area will be able to review names and make recommendations for hiring for the Twilight Academy on the [linked spreadsheet](#) by **Wednesday, September 2, 2020**.

### Recorded Classroom Instructional Videos

- Students, who are unable to attend daily remote learning experiences can access the daily instruction for ELA, Math, and Science by viewing the videos and completing assignments in Canvas.
  - **Beginning August 31, 2020, fully functioning September 8th**
  - Accessible to students through Canvas

### Live Online Tutoring

Students in grades K-5 will have 24-7 access to live tutoring services to provide support with daily classroom instruction. The all-in-one suite of tutoring services is designed for a wide range of academic needs, whether it is tackling a tough homework problem, mastering a particular topic, or writing a paper. Students are able to access live, on-demand academic help, and state-aligned skills building lessons from expert tutors. Tutors and students communicate in real-time through a chat feature in an online classroom by typing, drawing, and marking-up lessons and web content.

- Students and parents will access live tutors through the district and school websites.

### School Actions

- Communicate to parents and students the availability of the Live Online tutoring
- Add the following links to your school's website
