

Red Ribbon Week Optional Virtual Contest

Be Happy. Be Brave. Be Healthy.

Who: Any RFES student in PreK-5th grade that would like to participate.

What: Red Ribbon Week Contest. A virtual slide show will be made of all entries. The students will watch the slide show in class on October 30. RFES staff will vote on winners for each grade level. Virtual certificates will be given and virtual rewards will be announced later.

When: Start anytime you want. Pictures of your “creations” will be due to Mrs. Zahm (RFES School Counselor) **no later than** October 28, 2020. This allows for the slide show and voting to take place before October 30.

Where: From the comfort of your own home.

Why: To promote making healthy choices, being happy, and being brave.

How: Use the “Be. Happy. Be Brave. Be Healthy.” 2020 Red Ribbon Week idea to create a poster, decorate a door in your home (inside or out), or create a meme. Be creative and use any materials you would like. Using the computer to create is also allowed. When your work is complete, send a photo to Mrs. Zahm (sarahzahm@ccs.k12.nc.us).
